## WILL PUT PROHIBITION LAW TO CANDIDATES BANNER BEARERS BURN THE ENGLISH FLAG

### PICKETS OF IRISH CAUSE BURN FLAG OF BRITAIN

(By Associated Press) WASHINGTON, D. C., June 3.—The state department today asked the District of Columbia commissioners for a statement of the facts as to the burning of a flag yesterday in front of the treasury building by women sympathizers of Irish freedom.

The department acted on its own initiative, officials said, as no formal protest having been made by the British embassy. The burning of the flag yesterday passed almost unnoticed as banner bearers at the treasury building ceased to excite the public curiosity.

### HI JOHNSON IS IN CHICAGO FOR CONVENTION

(By Associated Press) CHICAGO, June 3.—Senator Hiram Johnson arrived in Chicago this afternoon and made a brief speech against the league of nations. During the trip from the depot he was given a noisy demonstration. "We will continue to live our lives in our own way without any dictation from Europe. When this campaign is over we once more will be just Americans," he said.

"I come to you without much preparation and with no great organization, but I have one thing no other candidate in this campaign has been able to get," Johnson said. "I have a people. I am here to see that there is no pussyfooting and no hiding upon the question of the league of nations. We are going to have it if it is possible to have it, a declaration in this convention that will reaffirm the right of America to govern its own affairs."

### Bullfrog-Goldfield Road Cannot Be Dismantled

For sometime past there has been considerable agitation on the part of the majority stockholders of the Bullfrog Goldfield Railroad to take up the road operating between Beatty and Goldfield. In other words to "scrap it" on the grounds that it was losing a large amount of money and was no longer required as a public utility in this section of the state.

Negotiations have been pending with the representative of the majority stockholders for the purchase of their stock, but that did not seem feasible and was not warranted after investigation, because of the fact that the majority stockholders were asking a much larger price for their stock than they paid to Senator W. A. Clark at the time of the purchase of his stock in 1919.

These majority stockholders were told that any efforts on their part to take up and dismantle the road would be strenuously contested by the people of this section, and by the district attorney's office in the courts, as well as before the Public service commission of Nevada.

It was hoped that any difficulty
